## **Whilly Bermudez Launches a Thanksgiving Food Drive for the Homeless of Miami**

MIAMI, Oct. 28 /PRNewswire/ -- "I don't want to be known by fancy speeches but by my deeds alone," states Candidate for the Florida House of Representatives for 116th District – Whilly Bermudez. Mr. Bermudez has long been considered a role model to many and an effective community leader and business owner in South Florida. Whilly Bermudez serves on the Board of Directors for the Institute of Child & Family Health as well as The Republican Party of Miami Dade County as the Vice Chairman of Public Relations & Media. Mr. Bermudez is on a crusade to do a world of good in Florida. On **Saturday – November 21, 2009 at 10:30am** he is leading a massive effort to feed the hungry of the Miami Rescue Mission in downtown Miami located on **2020 NW 1st Ave, Miami, FL, 33127.**

With nearly 10% of America's population unemployed, more children than ever are likely to face hunger and homelessness this year. His efforts are accompanied by almost one hundred volunteers and several key corporate sponsors that are equally interested in helping those in need. Mr. Bermudez has been urging other political candidates to expand the focus a little away from fundraising events and more on charitable community events.

In an effort to accommodate all volunteers, The Whilly Bermudez Campaign is also providing transportation to those who require it. The Miami Rescue Mission reports that this year there is large water shortage. As a result, participants are being advised to include cases of water along with Food donations.
