It is my honor and privilege to advise you that you were nominated and unanimously accepted for appointment as a Board member of the Institute for Child & Family Health Board.

We are thrilled that you have agreed to serve on our Board and look forward to working with you. Your knowledge, expertise and vision will be an invaluable contribution in helping us to define the organization and achieve its goals.

We recognize that you have a demanding schedule and are extraordinarily busy. Therefore, we will try our best to limit our imposition on your time.

If you have any questions please do not hesitate to contact me.

Sincerely,

*Michael P. Connolly*
